THE STONE MUSIC & ARTS FESTIVAL

2012

MONDAY JULY 9 - SUNDAY JULY 15

WELCOME

TO THE STONE MUSIC AND ARTS FESTIVAL...

2012

A VERY WARM WELCOME to the programme for the fourth **STONE MUSIC AND ARTS FESTIVAL** which takes place from **9th to 15th of July 2012**. This year our weekend events will commence on Friday 13th July with an exciting launch event in The Crown Hotel Ballroom, when we are delighted to announce that the fantastic Jimi Hendrix tribute band **ARE YOU EXPERIENCED?** will be performing a vibrant set featuring a rich selection of the guitar great's wonderful and innovative repertoire.

The festival will continue over the weekend with music which will appeal to all tastes and ages. This year we have not two, but four headline bands appearing on the two stages over the weekend!

The Saturday events will be opened by our ever popular busking competition, with the usual generous prizes for first, second and third places. As part of our ever-expanding remit to improve the quality of the festival experience for the people of Stone, we are pleased to announce that we have two stages in operation this year on the festival Sunday enabling us to maximise the amount of music and performances. The Saturday stage is in Market Square, and this stage will remain there for the duration of the weekend to augment the main stage at the top of High Street.

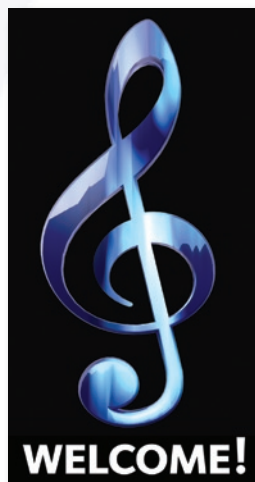

This year, as well as the usual array of top quality cover and tribute bands, we have incorporated more bands in the line-up who will perform their own material to showcase the amazing amount of rich and original musical talent in the Stone and Staffordshire area. The 'official' opening event is Are You Experienced? at The Crown Hotel, but you are sure to find a veritable potpourri of excellent musical entertainment in Stone in the days leading up to that as many of the pubs in the town enter into the festival spirit.

Our Saturday event will culminate in an exciting and energetic indie music based performance from well known tribute act **KMK - THE KAISER MONKEY KILLERS**. Top notch glam-rock tribute band, **SLYDE** will close proceedings for the Saturday.

The magnificent Sunday finale to last year's festival was of course a stunning performance by Roxy Magic, and anyone who witnessed their superb, polished performance will never forget it. Even over a year later, this is clearly a hard act to follow. We think we've succeeded though - as after a top quality set of rock and pop covers from local heroes **THE VANZ**, we are delighted to welcome **RE-TAKE THAT** who will close the festival with what promises to be an fantastic finale to the week's events.

The festival voluntary group has been hugely fortunate in again securing the support of **WEDGWOOD** whom we sincerely thank for sponsoring the event. A very special event to celebrate this sponsorship will be this year's classical concert starring **DUNCAN HONEYBOURNE**, a classical pianist of enormous repute who is renowned throughout the British Isles as a performer of the highest calibre. This superb event will be held at Wedgwood's Barlaston headquarters.

The festival has been organised by members of Stone Music and Arts Festival Society and aims to assist in the development of musical, artistic and performance talent within the town, to encourage acts to visit Stone for the purposes of performing and to promote the town of Stone as an attraction to those interested in the vast array of music that will be on show throughout the festival week. The festival will promote events across a range of venues satisfying all musical tastes ranging from classical music, jazz, folk and blues through to contemporary rock, pop and indie music. As part of our foray into wider support and development of the arts we are once again pleased to be working with Christ Church Academy, The Clifford Project and Rooftop Studios this year, and hope to build on this foundation in future years by engaging more widely with local art, drama, dance and theatre groups. *(Continued overleaf)*

THE STONE MUSIC AND ARTS FESTIVAL is a non-profit making venture and our aims are to promote the event as an annual festival in Stone. For this reason, we will be collecting donations during the festival weekend. Please give generously if you possibly can. Every donation, no matter how large or small, is very much appreciated by us all. Look for the collection buckets carried by festival people or enquire about becoming a sponsor by calling **Kate Moss** on **01785 818487** or contacting her at **k.moss@wlv.ac.uk**. All proceeds will go towards the funding of the festival.

Details given are correct at the time of going to press but the organisers reserve the right to make any changes as circumstances dictate. Every effort will be made to keep to the times stated, but we cannot guarantee this and some changes may be made that we cannot anticipate. Some festival events are ticketed, most are free. Some events may be sold out prior to the actual date.

Art exhibition

As we continue to expand the festival and improve our outreach into the community, we are delighted to once again be holding an art exhibition.

This year's exhibition will be held in the **CROWN HOTEL BALLROOM** from mid-day on Saturday 14th to 4.00pm on Sunday 15th July. The theme for the exhibition this year is *'Fairy Tales and Fiction'*, which featured as part of the Key Stage 3 National Curriculum in the summer term at Christ Church Academy. The pupils chose their favourite fictional texts, and then working in a mixed media, used these various stories and fairy tales as inspiration to create their unique artworks, which we proudly display over the two days.

Crafts and collectables market

As part of our ongoing remit to support arts and crafts in our community, there will be a 'Crafts and Collectables Market' on both the Saturday and Sunday of the festival weekend. This event will be held in the lower end of the high street.

Filming the Festival

For your information, we will be making a video record of this year's Festival, including the Friday evening launch party, to be used for future promotional purposes.

Will there be a festival next year?

Yes indeed! We are already planning for the **STONE MUSIC AND ARTS FESTIVAL 2013** and are determined to bring you an even bigger and better experience at what will be our fifth festival! It will be held during the week beginning Monday 8th July and culminating with the street entertainment on Saturday 13th and Sunday 14th July.

Each year, we have tried to develop our community links and involve more music and arts groups, so if you would like to be involved, please contact the team. We have also set ourselves the ongoing target year on year to improve the quality of the entertainment by booking better cover bands and gradually introducing more and more original artists. To this end we are delighted to announce that we have already booked our headline bands for 2013!

On Saturday 13th **THE SOUL SURVIVORS** will be keeping the faith and enabling us to provide some live soul music for the very first time. The Soul Survivors are one of the country's top exponents of classic soul music and good old British Rhythm & Blues. Taking their inspiration and material from such greats as Otis Redding, Sam & Dave, The O'Jays, The Detroit Spinners, The Isley Brothers and Marvin Gaye and the band delivers a fantastic live show with great authenticity and enthusiasm.

On Sunday 14th we are pleased to have secured **THE CHRISTIANS** as our headline band. The band charted regularly in the late 1980s with songs such as *'Harvest for the World'*, *'Forgotten Town'* and *'When the Finger Points'*. Still led by founder member Gary Christian, the band has continued recording and touring and are one of the headline acts at the Isle of Wight Festival in 2012.

We hope that you will agree - this is the start of an exciting line up for next year!

Sponsoring the festival

We are pleased and honoured to have been associated with Wedgwood as our main sponsors over the last two years and we hope to continue this relationship during the coming years.

The festival relies entirely on raising funds through sponsorship from local organisations and in order to fulfil our commitment to the on-going improvement of the festival, we need to widen our group of sponsors. The festival can provide the opportunity to reach thousands of potential customers through our programme, web site, performances and exhibitions.

Sponsorship can come in various guises. For example supplying of useful and important services or materials to the festival, as well as in cash terms, and any contribution will make a massive difference to how far we are able to develop the festival. We can offer a range of sponsorship opportunities, so if you would like to support our social enterprise please contact us for a visit or presentation from one of our team.

Get involved!

The organising team is made up entirely of independent volunteers working to promote and develop music and the arts within the town of Stone and also in the wider community.
